Guidelines of this Recycling Guide:

* Contact community partners before taking anything to them to make sure they are accepting items at this time and for limitations. No one is obligated to take your waste.
* Never drop-off items after hours. You could be charged with illegal dumping.
* Disposal fees may apply.
* Community partners are providing a service to keep our community clean & safe. Please be respectful.

Building Community Pride

For the year 20265, Clean Community System is asking for your assistance by demonstrating community pride in keeping our roadways, parks, and public areas litter free. If your organization, church, local school, or business hosts a litter pick-up Clean Community System can financially assist you through a grant received from Nebraska Department of Environment and Energy. For more information contact Clean Community System at (308) 385-5095 or director@cleancommunity.org.

Reduce, Reuse, Recycle

The Swap Shop & Teacher ReStore are open to the public M-F 8:00am-4:00pm.
